Buy a Window Program and Building Fund efforts continue

Thanks to everyone who has donated to buy a new window in the Museum Annex. There are still a few windows available. The cost of a single window is **\$500**. Soon, you will be seeing changes to the old Milsom Building. The building will be painted, and future plans call for an historical mural to be placed on the side facing the city parking lot. A new roof is also needed. Anyone wishing to donate to the building fund can do so at the Heritage Museum. We are also obtaining a portion of the Monessen Façade Grant being administered by the Chamber of Commerce. It is a matching grant, so your money can go farther. **Remember also, the windows can be dedicated to the memory of a loved one by having their name appear on a plaque. Call today!**

Carpatho-Rusyn Exhibit

The Carpatho-Rusyn Exhibit will be on display until Saturday, July 2. GMHS has partnered with the Carpatho-Rusyn Society to present this look at what was one of the largest ethnic groups in the Greater Monessen area at the turn of the twentieth century. The Museum Shoppe has many Carpatho-Rusyn items for sale. We hope you will visit the exhibit during the next two months. Check Facebook, the homepage or the Valley Independent for upcoming special events.

Tim Donner runs for U.S. Senate

Those of you who attended the annual Public Meeting that GMHS held on March 27, 2011 were able to hear a secret that few knew about. Tim Donner, great-grandson of industrialist, William Henry Donner, sent a message to be read to those who attended. In it, he stated his intention to run for the U.S. Senate from the state of Virginia and sent his well wishes. Tim, an honorary board member of GMHS, has since thrown his hat in the ring.

Thinking about next spring

The Board of Directors is already thinking about next spring's ethnic exhibit. A suggestion was made to look at the **Jewish population of the Greater Monessen area**. Does anyone have any photographs that we may scan? Please contact us at the Heritage Museum.
