

# Greater Monessen Historical Society Wish List 2025 & Progress Sheet

In the coming year, the Board of Directors would like to move forward on the following projects:

Underwrite costs of printing new Monessen 125 anniversary books.

Continue renovation of second floor of Annex into apartments for source of income.

Replace Museum sound system for indoor and outdoor use

Renovate former basement speakeasy in Exhibition Hall including fountain, mosaic tile floor and hand painted ceiling and walls.

## Greater Monessen Historical Society Wish List 2025 & Progress Sheet

Through your generosity and kindness during the 2023-2024 year, we have achieved the following:

We have a new copier to handle our copying and printing needs!

We also purchased a new cash register for the Museum Shoppe.

In Addition:

Renovation continued on the second floor of the Annex building (Exhibition Hall).

We have added many new items to the museum's archival collection.

Normal upkeep has been performed on the nearly one hundred and twenty year old building.

Our volunteers have researched new topics dealing with Monessen's history and genealogy.

Thank you for your help!

It is always appreciated! 😊
