MEMBERSHIP RENEWAL & END OF YEAR GIVING CAMPAIGN
November 2024

The Greater Monessen Historical Society lost a key figure this year with the death of Board member and Fundraiser Dr. Martin Dudas. His vision and focus were a guiding light for the Historical Society as we progressed through the years. We dedicate this drive to his memory.

As we look forward to our thirtieth anniversary in 2025, we look forward to new projects and events. We will continue to work with our city administration and local groups, individuals and organizations to showcase our city's past and plan for the future.

We want to say "THANK YOU" to all who have helped us become a strong organization and recognized as a "special place" in downtown Monessen. Please visit the Museum in the coming year to see our upcoming antique toy exhibit. The Historical Society and Museum exist because of YOU, our members, friends and benefactors!. Keep our history alive to pass down to the next generation. In addition to our regular expenses for two buildings, the Board of Directors has created and enclosed a Wish List for 2025.

Your continued support will help us to focus on new projects for 2025. New exhibits, projects, and programming are always being planned. With your help, we can continue the work of preserving the diverse ethnic heritage of Monessen and its people. Show your support. Contribute and be a stakeholder in the Monessen Heritage Museum!
